6 drown as coracle capsizes in Hogenakkal Falls

By Our Staff Reporter

A fun trip for a family of nine from Chennai to Hogenakkal Falls turned tragic after the coracle in which they took a ride capsized in the Cauvery on Aug. 30, leaving six of them dead, including a 10-month-old baby. Oarsmen rescued three of them.

Rajesh (a mobile phone shop owner and resident of Ellaiamman Koil Street, West Mambalam), had gone to Hogenakkal to celebrate his wedding anniversary with his wife Gomathi (29) and sons Sachin (5), and Darshan (3). They were accompanied by Rajesh's father-in-law Krishnamoorthy (60), mother-in-law Gowri (55), brother-in-law Ranjith Kumar, his wife Kokila (30), and their 10-month old daughter Suvetha.

The persons who died in the tragedy were Krishnamoorthy,

Ranjith Kumar, Kokila and their daughter Suvetha

Gowri, Ranjith Kumar, Kokila, Darshan and Suvetha.

According to the police, the family came together for a picture on the boat, causing it to topple.

The surviving members and their relatives were put through a lot of trauma as at the time of the tragedy only the bodies of Gowri and Darshan could be retrieved. Any faint hopes of survival of the others were shattered when the bodies of Krishnamoorthy, Ranjith Kumar and Kokila were retrieved on Sept. 1 and that of Suvetha on Sept. 3.

Rajesh said that they were laughing and enjoying the ride when the coracle suddenly capsized. "I desperately tried to stay afloat and watched helplessly as the others went under water. The oarsmen could only rescue the three of us," he said.

Space Kidz India helps student in space project

By Our Staff Reporter

Space Kidz India (Thirumalai Road, T. Nagar, Ph: 99628 33622) successfully assisted a student in his ambitious project of designing and launching a small payload into space on Aug. 23 to study the

air quality, altitude, gases close to outer space and other data at the campus of Hindustan University, Padur.

Dr. Srimathy Kesan (Director, Space Kidz India) said Rifath Sharook (from a small town in Pallampatti, Dindigul)

wanted to do the project to compete in the "Young India Scientist" contest. Rifath and Srimathy approached a number of research institutions for support but were brushed aside as most felt that the idea was not practically viable. Then finally with the help of educators at NASA and a professor at the University of Central Florida, Rifath embarked on his ambitious project.

Nine students from Hindustan University also collaborated in the project. Finally after a 2-year struggle, a 1.2 kg balloon with Helium gas as the fuel attached to a parachute and a payload with 10 sensors was launched successfully into space on August 23. The balloon burst at a very high altitude and the parachute with the payload landed in a field at Kuthunur, near Kanchipuram. The payload was retrieved for studying the data collected by it.

LETTERS TO THE EDITOR

Reintroduce old traffic rule on Rangarajapuram flyover

Sir, I am a resident of Janakiram Street, West Mambalam. When Rangarajapuram Y-shaped flyover was opened in 2012, there was one-way rule from Railway Border Road side to Bazullah Road via the flyover in the morning and vice-versa in the evening for the convenience of the office goers. However since last one year the system has been changed and only vehicles from Bazullah Road are allowed to ply the flyover. I request the traffic officials to re-introduce the old system for the benefit of the public. — **Jitendra, West Mambalam**

Appeal to re-start E-Seva service on Masilamani Street

Sir, The E-Seva Centre established by Chennai Corporation at its office on Masilamani Street, T. Nagar, has not been functioning for the past several months. The idea of establishing the centre was to provide a single window service for obtaining income/community/nativity certificates or payment of property tax/water charges/sewerage tax. What is the point in making tall announcements of providing facilities when they do not function/serve the intended purpose? We appeal to the authorities to immediately open the E-Seva center. — **T. Nagar Residents' Welfare Association, 30, Rangan Street, T. Nagar**

EB junction boxes abandoned on road margin

Sir, Unused EB junction boxes have been abandoned on the pavement of Ponnambalam Salai near its junction with 39th Street (West K.K. Nagar) for the past six months. The foundations for the junction boxes were made long ago, but the boxes are yet to be erected on them and put in use. They are rusting day by day and are also blocking the pavement. A vacant land at the street corner is already being used as a urinal by passersby and these boxes provide them cover. Added to this, a garbage tri-cycle is also parked close by. I appeal to the concerned authorities to take immediate necessary action. — **S. Muralidaran, K.K. Nagar**

Dr. Jeyakumar (resident of 3, Nehru Avenue, Bharathidasan Colony, K.K. Nagar) successfully performed a difficult surgery in Stanley Hospital recently in which he had to re-attach an amputated portion of a woman's hand.

Dr. Jeyakumar said that the surgery took 6 hours of painstakingly reconnecting nerves, blood vessels and bones. The patient Rajeswari was rushed to Stanley Hospital from her village in Andhra after her hand was cut by her husband with a sickle in a domestic quarrel. Her amputated hand was brought well preserved and although the ideal time to bring it is within 6 hours, the surgery worked for her even though it could be done about 15 hours after the incident. Rajeswari is recuperating well after the surgery.

Dr. Jeyakumar is an orthopedician cum plastic surgeon. He also runs a clinic at his residence. His contact numbers are 94443 35103 and 94446 98830.

Metro Rail completes Saidapet-DMS tunneling work

By Our Staff Reporter

Metro Rail completed the tunnels between Saidapet and DMS on Sept. 1. The work was left incomplete when the Russian contractor Mosmetrostroy abandoned the work as it was nearing completion. The remaining work was completed with the help of workers borrowed from Afcons.

The parallel tunnel on the 3.3-km route was completed in July.

A senior official said that fresh contracts would be given to build stations on the Saidapet-DMS stretch. He said that the completion of tunneling on the Saidapet-DMS stretch will bring down cost of the contract. The tunnels were built without waiting for underground stations in Nandanam and Teynampet to be completed.
