MAMBALAM TIMES

March 10 - 16, 2018

LETTERS TO THE EDITOR

Sir, NGC has bought Indian Post and has been in operation for many years. The employees are now being given training and the staff is capable. The office at T. Nagar Post Office is very efficient and the staff there are always willing to help.

Sir, I have been a regular customer of T. Nagar Post Office for many years and have always been satisfied with the service provided.

When I went to T. Nagar Post Office to encash the certificates, the staff there told me that the proceeds can only be credited to my Savings Bank Account with the post office, which I did not have, and had no option for this purpose. I duly filled up the necessary forms for opening an account, but to my dismay the staff handling the counter was not cooperative. There were a few other standing in the queue and she was missing from her seat for 15 to 20 minutes on some occasion.

When questioned her action and requested to speed up the work, she replied in a rude manner.

I had to spend 2 1/2 hours in the post office to complete the account opening formalities and similarly was the plight of other customers many of whom were senior citizens.

I appeal to T. Nagar Post Office to improve the quality of service.

H. Nagesh, Shri Krishna Apartments, 40, 8th Avenue, Ashok Nagar.

Waste management should start in homes

Sir, The city is generating a huge quantity of waste daily and waste management has become a big challenge for both motorists and pedestrians.

The popular Saneeswaram Temple is located at the junction. Devotees throng the temple on auspicious occasions. A number of drivers take turns at high speed at the blind junction oblivious of the devotees standing outside the temple. A number of minor accidents have been reported at the junction, mainly involving devotees visiting the temple.

I appeal to Corporation officials to install speed breakers at the junction to slow down the vehicles for the safety of the pedestrians.

S. V. Narayanasamy, Mottilal Street, T. Nagar.

Appeal for speed breakers at Venkatachalam Street/Giri Street junction

Sir, The right angle junction of Venkatachalam Street and Giri Street, West Mambalam is hazardous for both motorists and pedestrians.

The popular Saneeswaram Temple is located at the junction. Devotees throng the temple on auspicious occasions. A number of drivers take turns at high speed at the blind junction oblivious of the devotees standing outside the temple. A number of minor accidents have been reported at the junction, mainly involving devotees visiting the temple.

I appeal to Corporation officials to install speed breakers at the junction to slow down the vehicles for the safety of the pedestrians.

S. V. Narayanasamy, Mottilal Street, T. Nagar.

TASMAC customers Dhanadrapani Street

Sir, There is a TASMAC shop in Dhanadrapani Street, T. Nagar, opposite Ramaswamy Street.

A lot of people often go there and drink just outside the shop.

They also dirty the area by urinating in street corners and throwing empty liquor bottles and paper cups.

I appeal to health officials to take immediate action to prevent the misuse of the location by the shop’s customers.

V. S. Narayanasamy, Mottilal Street, T. Nagar.

Raja Hostel in deplorable condition

Sir, MC Raja Hostel located at the corner of Anna Salai, 3rd Cross Street and South Road, West C.I.T. Nagar, Chennai 35 is considered one of the prestigious Government hostels in Chennai.

The once popular hostel houses college students of the minority community. Today it is in a very pathetic condition. The sewage system has been badly damaged and eventually evacuations were deployed to a dig a canal. The sewage is let out into the open canal which runs for approximately 500 meters and joins the Cauvery river running at the end.

The entire stretch is open. The illegal dwellers on the banks of the Cauvery also use the open sewage canal to deface.

When the Government is keen on promoting a clean and hygiene environment, it is sad to notice such a deplorable state of maintenance of a Government Hostel.

The insanitary condition of the ill-maintained hostel is hazardous for the students staying there and also the residents living nearby.

I request the authorities concerned to take immediate action to lay the sewage pipeline and bring a solution to this menace.

Kalaimamani Dr. Rukmini Kirumandhan N. Panchapakesan. Ph: 98403 48638.

Unethical practices by mobile service providers

Sir, Unethical practices are often followed at the outlets of mobile service providers. These companies often come up with schemes which are thrust on the customer without his/her consent.

On March 3, I paid Rs. 70 for full talk time with Vodafone center in North Usman Road. When I came home, I was shocked that my balance was much less than the counter staff had, without my consent, enabled mobile wallet and charges got deducted for the subscription.

Similarly, a couple of months back an Airtel shop, my full top-up was compromised by the staff subscribing to ‘Hello Tunes’ without my consent.

I strongly condemn such unethical practices and caution readers of Mambalam Times to be wary when they top up their mobile balance.
